Il marchio "Ancora" by Pavan, protagonista da 140 anni nel produrre utensili di qualità per l'edilizia, ha ideato questo bauletto indispensabile per proteggere, come uno scrigno, i gioielli tenuti tra le mani dai professionisti nell'applicare l'antica arte del marmorino. Il kit è personalizzabile e gli utensili contenuti sono disponibili in manico legno o gomma Sintesi.

"Ancora" trade-mark by Pavan, leader for 140 years in the production of professional high quality tools, has realized this indispensable case to protect, as a coffer, our jewels that professional users hold in their hands in the ancient art of application of marmorino and Venetian stucco. You can personalize the kit at your convenience and tools are available either with wood handle or with soft grip Sintesi handle.

L'IDENTIKIT DEL VERO PROFESSIONISTA.
